

SOCIETE GENERALE PRIVATE BANKING

SWITZERLAND

THE RELATIONSHIP PRIVATE BANK AT THE HEART OF SOCIETE GENERALE GROUP

Societe Generale is established in Switzerland, a financial centre recognised for its stability and the quality of its services, since 1897. From Geneva and Zurich, you benefit from the financial strength and the expertise of a large international banking group, combined with our Swiss know-how built over the past 120 years.

The benefits we offer

Our private bankers are supported by a network of experts within the Group who take into account the specific characteristics of your economic, cultural, linguistic and regulatory environment to accompany you in structuring your wealth and managing your assets.

A strong presence in Switzerland

More than **100** multi-lingual private bankers at your service

A team of **60** experts covering all the activities of private banking supported by the expertise of the Group's different businesses

More than **400** members of staff committed to supporting you
